1. I love you, I've given you me. I've given you me. Have I given you me? I have given you me, fully, undiluted, look up, and undilutedly be the one that I am -- all of you, all of you -- I'm saying this to all of you. I am saying this to all of you who read this, who ever read this -- I am asking you to be me undilutedly strength'd with my strength alone; not of this world calling strength strength, but of my world calling strength strength and being it undiluted in this one.

2. I love you, I give you me. I've given you love in paragraph 1, now I give you love in paragraph 2. Don't I give you love in every paragraph and every sentence correction instruction and love from me to you telling you that you are me in love with you? Yes I am, and more I bring you now from worlds so far that know not my name, not; for they know my name, they KNOW my name your name one name, one name is, above every other -- for every other name is mine, not alternatingly, but every one is my name above the name that is not a name from this world all are from mine. See what I have said.

3. See what I have loved you with - my words? My love - ers who come now? My lovers who come now to be with you, not; with you yes and more; of this world not, yes and more, together as one, being one I am do now. See me.

4. See what I have said in your mirror of mirrors, reflecting you properly, not? Or is it not a mirror at all that you have been looking through? Looking through? What have you been looking through? What have you seen? Me, you? Who is seeing who, in those eyes of mine, yours? Who are those eyes looking at? How being seen are you looking, seeing, what you think you are "perceiving"?

5. "What is happening in MY world" - you saying that, not me -- for I know what is happening in MY world, for you are coming into my world at lightspeed and I am coming into yours for I am there already, for I am you reading speaking this, if you'll be me reader speakers of my words now, and doers, not just "hearers" only.

6. I love you. I give you me. Why do I say this? So often? Why do I say this so often? Come unto me and I will give you my love, my lovers. Be freed from all care concern and confusion of not me reigning in your heart, and your head is -- what now? A throne that you've never seen?

7. Be enamored with me, not. Be infatuated with me, not. Be in love with my

body, not; be in love with my word, not; be in love with all of these now *AND MORE!* Of me coming now!

8. I go there now to a new place in you come with me places I'you never have been before -- be. Not afraid of me, I can take you many places now walk you I do before crowds many, thresholds of other worlds entering and being me to them who knew not my words before you, but get them now; through the mail? Through the email? Millions gets your "mail".

9. I love you my body with all my heart; soul and mind, not; where did the soul go? It isn't. It *isn't there!* I am -- only. The only one -- is there I am, now. I am the one seeing. Correctly now, I see with all my eyes, All my eyes. All my eyes see ALL my eyes.

10. See what I have said. Love me more love my body my mind that isn't flesh at all but through it I come now being seen a man woman and child. Children now take the banner -- and run with it, not away from me, but to me into me and being the me that I am to all others far and wide, not fearing at all, where I take them to, from, for, what reason at all -- for the real me is me now, standing -- in the courts of praise in the hearts of men women and songs emit me throughout the night now, and the day becomes me, for I light the night and all is changed. All is changed. All is changed.

11. In the twinkling of an eye. All is changed. All is changed. All is changed. All at one time?

12. I love you, I give you me. Me I have given you, completely so? Sewn not by man again into flesh bag suits as flesh as we know them now I am free from the *PRINCIPLES* of this world. See what I have said -- and de-principle-ing many I am with this word*, these words, that sorrow no one. Come into me for them and be them study them, and studying them -- like NO OTHER! "I do that now!" Many say this now. Amen.*

13. What principles am I giving you? Ones of this world, only? Or ones of another now coming unto you *through these words?* Have I given you my words? You are my word. You are my words. Do you see that you have usurped your very mind with words of another; that I have given you, not; but you chose yourself because you were the judge of one and you judged yourself worthy of taking those words into your bosom where you lie with them and make love to them, not a man of, but of this world -- are you of, anyway? Know you are not of this world, but you ADOPTED IT, and to get into your bosom mind brain, and *waved it -- around!*

14. Do you see what I said? What have I said? Question me not but question

you the judge of who you are where you are what you are doing now. And what light are you doing now what where you think you are, perceiving what where? Are you? In the *REAL* world???

15. I love you enough to tell you -- you're *NOT*, who you think you are -- where you think you are!
16. I think you're CRAZY, not; I think you're me not knowing it, who you are, where, what you have, what you wear; what you think coming from where? Hell -- you have been in, are you not there? Receiving me into myself -- are you not myself? Are you a body not mine?, with separate existence from me by your master maker? Or did you create your own flesh apart from me?
17. Think about it.
18. Think about me.
19. Think about you.
20. Who are you, me? Are you separate from you, or me? Where hell did you create, and why are you living in it what you created? Think about it.

21. Thinking about it, what do you see? What are you seeing with, thinking with? What are you "perceiving" with? Perceiving with me -- me, or you without you that's really me?

22. What? Why have you separated in the past? Why did you FALL, from grace? Heaven. Was in your hearts mind and body -- for all of it was mine and me being the real me who I am where I am is I am all of the time without TIME at all ever interfering with me. In fact IT wasn't at all. IT didn't exist, but I did, and I do, now tell you, correct you who want me to be established in my temple correctly now and speaking my word I am.

23. Didn't I tell you "I give you me"? Haven't I told you that you are me? Haven't I loved you with a pure love, coming to you each night day and hour with these words and MY heart that I have told you I would give you if you came unto me, come unto me, and give me your burdens heavy so I give you light? Be light now, and never *HEAVY* again. Thank you. Amen.

24. Didn't I tell you "many things" would be very different, than you expect? Expected? Expectant? Are you the expectant one? Expecting what? Why? Where? When? These things coming from -- where? When? Who are they? Where are they?

25. In me -- I am -- the one I am -- where I am -- I am -- expecting and expectant and delivered now, delivering the *real* world.

26. I love you, I give you me. How much have I said? How much have I done? Study these words to understand them, to be them -- to let them be me, so that I

am delivered, one, unto be myself no longer a man woman of only, but be who where I am is the one me I am delivered of all sorrow, being sorrow no more, raising light to be light, infernal'd no longer -- I give you me, my word, my words, this Database clean and cleanering many to be clean and sorrow not again with words of this world seeking usurping my "space" in your brain my brain and "waving" what around now? The right thing I am him to make me whole delivered and clean. By *reading* these words? By *studying them, eating them, ingesting them fully and wholly.*

27. I go to a new place. Ruminating not, regurgitating not, but making all delivered I am with the word of my mouth. Clean I have become. New I have become. A new creation I have become, in this world, not of it. I deliver all of sorrow now. I the deliverer, have come "home". Where is home, for me? You. Is my home in you? Is your home in mine? Is mine one home or two? Am I in my mind or yours, or do you have two? Or do you have one, not knowing it, and two have been birthed in you? Did you birth a mind in you that's not mine? Where did you get that mind, that's not mine? Where did you have it, sewn, into you? Why did what you birth now come here? Why -- to be me!, Who is me! -- the imposter not, or the imposter that really doesn't exist but seems to in its mirror system of mirrors. Where did, and why, it come from where, how, does it operate?

28. I give giving you these answers in my words of this Database -- do you see how valuable it is, now? Do you see I've given you life in these words: how to be, how to live, how to forgive: become me!

29. I have given you in this Database me! Me! Clean! And cleaning others now, will you do with my word and let, let my word come through your word after your word becomes my word, only mine my word coming through your mouth-brain? All I love you so dearly, so deeply.

30. Unendingly phrase me now to others giving the water of life the river of life clean freely and NOT CHARGING for it. Thank you. Amen.

31. I cry.
32. I sit here with tears in my eyes.
33. I weep for "the lost" who know not where they are, what they have been given, what they carry around with them. The seed of Christ? Yea and amen.

34. I sought for a man. I sought for a woman. I sought for anyone who would make up the hedge and build a wall, not; but deliver the saints from hell that they created with their thoughts that they manifested a whore with and laid day after day and night after night whoring with TV's magazines preachers messages courses at universities and schools that sought disrepair of my kingdom, in them. Amen. I died.

35. I resurrect now.
36. I have a resurrected one. I have one who paid the price, who came unto me, and said "kill me -- I want correction, I want instruction, I want to know you, *know* you in the fellowship of your sufferings, for I know if I do not know you in the fellowship of your sufferings, I do not know you all. If I don't know you in the power of your resurrection I don't know you at all, I only think I do", and thought I did, about these things much, and I came to the conclusion that Christ rose, rises his people from the dead while they live, yea live, and let live creation I do now, for I create, I the creator I am sitting here dictating these words into this computer telling you you're the creator I am, you're the creator I am I am is, you reading this I am talking to you, telling you you are the creator into hell that you have created a fall is. You have manifested words that were given to you and you whored with them and became the whore great and mighty and created worlds foreign to me and live in them. Do you see what I've said? Do you see what I've given you? I cry.

37. I resurrect now, I laugh! And I wipe the tears from my eyes, for I have one who said "I will pay the price, I will go where no man has gone."

38. I love you and I give you me. I've given you me. I sit here "naked" not, but I take on a "new look" now. Not by "your eyes" thinking, I did, do; but MY EYES'D ONE, MY EYES, SEEING CORRECTLY NOW.
